LANCETTES Well Wishers

The Lancettes would like to thank you for your consideration in being a sponsor for the 2008-2009 school year.

The Lancettes are not only a dance and spirit team at Lake Park High School but also a strong force in the community. The members are active in community events in surrounding communities as well as supporting various efforts to help raise money for charities and worthy causes. The Lancettes are known for their tireless efforts to be active in the community and the school to raise spirit and to help where they are needed.

Now, due to the rising cost of costumes and attending competitions combined with the shrinking budgets of schools across America, we are looking for your help to raise money for our organization. You can contribute through our Well Wishers program. You provide the picture and the wish and we'll post it on our website at www.lplancettes.com. Wishes can either be for the team or for a specific member.

There are two ways to contribute:

Personal Well Wishers

Contribution of \$5.00

Company Well Wishers

Contribution of \$50.00

(Includes a Company Link on our Website)
